

GoToMeeting Corporate Online Meetings Made Easy™

Key benefits

- Increase productivity by enabling remote collaboration.
- Significantly reduce travel and operational costs.
- Boost sales by enhancing interactions with customers and prospects.
- Save with built-in audio conferencing.
- Receive a faster and greater return on investment.

Citrix® GoToMeeting® Corporate is the easiest and most cost-effective solution for organizations needing to provide multiple users with online meeting capability. GoToMeeting Corporate enables businesses to become more flexible than they ever imagined, reducing travel while dramatically increasing employee productivity.

Meet, demo and collaborate online

With GoToMeeting Corporate, your employees can meet online with up to 25 people per meeting – anytime, anywhere. Each trip they replace with an online meeting saves your company time and money.

Sales Demos: Perfect for conducting live demos for prospects – or for giving impromptu presentations during cold calls

Follow-up Meetings: Ideal for answering questions, tying up loose ends and closing deals without having to make an extra trip

Collaboration: Ultimate convenience for collaborating in real time on every-day projects with remote team members

Features

- **Intuitive User Interface:** Easy-to-understand controls enable you to start and join meetings in seconds without training.
- **Share Keyboard and Mouse Control:** Securely collaborate on documents in real time.
- **Instantly Change Presenters:** Enable any participant to present to the entire group.
- **Unlimited Audio:** Use included VoIP and toll-based phone options to reduce audio costs.
- **Desktop Recording and Playback:** Record meetings to review or share later.
- **Specific Application Sharing:** For added privacy, share only the application you choose.
- **Drawing Tools:** Draw, highlight and point to items of interest right on the screen.

• www.gotomeeting.com

- **Integration:** Access GoToMeeting through Microsoft® Office®, email or instant-messaging applications.
- **Mac® Support:** Mac users can host and join GoToMeeting sessions.
- **Reporting:** Get detailed reports for trend analysis and ROI validation.
- **Web Services APIs:** Integrate GoToMeeting Corporate functionality into your own company Web site.
- **Security:** End-to-end 128-bit AES encryption safeguards all login information and session data.

Toll-free audio service

Add integrated toll-free audio service with convenient toll-free packages from Citrix Online Audio. Includes seamless recording and integrated audio controls. (Requires additional purchase.)

Administration

The GoToMeeting Corporate secure Administration Center provides end-user and account-management tools for quick deployment and advanced control. No pre-installation, training or configuration is required. With just a few clicks, any individual in your organization can start using GoToMeeting Corporate.

Subscription model

GoToMeeting Corporate's distinctive All You Can Meet® flat-fee subscription model makes it easy for every employee to host frequent online meetings. GoToMeeting Corporate is priced so your business can use it more without paying more, providing a new level of value and ROI. There are no restrictions on usage, so organizers can hold online meetings as often and for as long as they like and gain maximum productivity from the solution.
